Refer to Riley Blake pattern for piecing the crayon tops. You can piece these as foundation paper piecing or use my method.

My method:

Trace the templates onto quilter's template plastic and cut out. Trace the templates with a pencil onto the 4" solid square and the white Crayon top sides and cut with either scissors or rotary cutter. Following the diagrams in the Riley Blake pattern (page 1 right column) sew the white sides to the colored solid offsetting by ¼" as shown in the diagrams.

Assemble The Crayons by sewing a 2 ½" x 4" rectangle to the bottom of the Kinder fabric and a 1 ½" x 4" rectangle to the top of the kinder fabric followed by the crayon top unit. Alternate the position of the "C" rectangles as shown in the diagram in the Riley Blake pattern (page 1 bottom of right column). Sew crayons together to make the quilt top.
